## Low Back Pain and Disability Questionnaire (Revised Oswestry)

This questionnaire has been designed to give the doctor information as to how your back pain has affected your ability to manage everyday life. Please answer every section and mark in each section only the ONE box which applies to you. We realize you may consider that two of the statements in any one section relate to you, but please just mark the box which most closely describes your problem.    The pain comes and goes and is very mild.   The pain comes and goes and is very mild.   The pain comes and goes and is word without make the pain comes and goes and is word without make the pain comes and goes and is very severe.   The pain is moderate and does not vary much.   The pain is onese and goes and is very severe.   The pain is severe and does not vary much.   In pain comes and goes and is very severe.   The pain is severe and does not vary much.   In pain comes and goes and is very severe.   In a pain is severe and does not vary much.   In pain comes and goes and is very severe.   In pain comes and goes and is very severe.
